“Resident of the Month” Alice Mertes

The January “Resident of the Month” is Alice Mertes. Alice was born to Regenal, “Reg,” and

Laverne Merwin on January 1, 1948. Her father passed when she was two and her mother later married Charles Thompson. Her stepfather now is John Sporri. She has a brother, Roger and sister, Jeannie. Her brother, Edward, passed and she has four stepsisters; Pam, Glenda, Becky and Connie. Alice attended Horace Mann School in Wausau, moved to Sparta, and graduated from High School in Fond du Lac. She married Leroy Lemke and later divorced. She then married Richard Mertes, who passed in 2011. She then dated Chuckie who also passed. She has one stepson, Donald Mertes, and gave up a little boy for adoption. Alice worked at a developmental disability facility in Marshfield and also enjoyed working at a grocery store, and at a restaurant as a dishwasher, waitress and cook. She enjoys embroidery, playing bingo, knitting, playing cards, reading, word searches, playing jacks, and watching baseball and basketball. She is especially proud of a medal she received in Fond du Lac for running and her sister Jeannie is proud of her for being a “very kind hearted and loving person.”
